JOINT COMPANY ANNOUNCEMENT

For Immediate Release
2010

28 September

Vietnam Enterprise Investments Limited
Vietnam Dragon Fund Limited
Vietnam Growth Fund Limited
(the "Companies")

Reference is made to the Companies' announcement of 27 September 2010 concerning the transaction involving their respective indirect interests in Nui Phao Mining Company Ltd. (formerly Nui Phao Mining Joint Venture Company Ltd.).

The Companies wish to correct some matters stated in the previous announcement.

The Companies' indirect interests in unsecured promissory notes issued by Masan Horizon Corporation, which have an aggregate face value of VND1,900,000,000,000 are equivalent to US\$100,000,000 at the exchange rate as provided for in the relevant transaction agreement, rather than the exchange rate applicable at the Closing Date.

In addition, taking into account the estimated net present value of US\$54,000,000 in aggregate for the promissory notes, the applicable net present value for each Company is anticipated to be:

Vietnam Enterprise Investments Limited:	US\$25,672,741.86 (not US\$27,300,425.76 as previously reported)
Vietnam Growth Fund Limited:	US\$18,362,833.83 (not US\$19,337,801.58 as previously reported)
Vietnam Dragon Fund Limited:	US\$9,964,424.31 (not US\$10,237,659.66 as previously reported)

The Companies regret any confusion caused.
